**PAYMENT IS EXPECTED AT TIME OF VISIT!**

I understand and agree that health and accident policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that this chiropractic office will prepare any insurance claim forms to assist me in making collections from the insurance company and that any amount authorized to be paid directly to this chiropractic office will be credited to my account upon receipt. I also give this office power of attorney to endorse checks made out to me, to be credited to my account.

However, I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered me will be immediately due and payable. Should no payment be received on my account for sixty days there will be a 1.5% or \$2.00 minimum service charge added to the account each month.

## Office Policy

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy that we require you read and sign prior to any treatment.

**FULL PAYMENT (DEDUCTIBLES AND CO-PAYS) IS DUE AT TIME OF SERVICE.**

**WE ACCEPT CASH, CHECKS AND MOST CREDIT CARDS.**

**WE OFFER AN EXTENDED PAYMENT PLAN WITH PRIOR APPROVAL.**

### Regarding Insurance:

We may accept assignment of insurance benefits. However, we do require 50% of the bill to be paid at time of service unless arrangements are made with the doctor. The balance is your responsibility whether your insurance company pays or not. We cannot bill your insurance company unless you give us your insurance information and/or an original claim form. **Your insurance policy is a contract between your insurance company and you.** We are not a party to that contract. If your insurance company has not paid your account in full within 45 days, the balance will be automatically transferred to you for payment. Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered reasonable and necessary under the Medicare program and/or other medical insurances.

### Authorization Requirements:

When insurance companies require pre-authorization, we will apply on your behalf. However, your insurance company may refuse to authorize the treatment plan recommended by the doctor. You will be financially responsible for the non-authorized visits.

### Usual and Customary Rates:

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payments regardless of any insurance company's arbitrary determination of usual and/or customary rates.

### Adult and Minor Patients:

Adult patients are responsible for full payment at time of service. The adult accompanying a minor and the parents (or legal guardians of the minor) are responsible for full payment. For unaccompanied minors, non-emergency treatment will be denied unless arrangements have been made for payment by cash or check at time of service.

### Missed Appointments:

Unless canceled at least 24 hours in advance, we reserve the right to charge for missed appointments at the rate of a normal office visit. Please help us serve you better by keeping your scheduled appointments. By signing this form you are agreeing to permit Chan Chiropractic and Massage and its employees to contact you via the provided contact methods for appointment reminders and followup (such as text, email, home or cell phone and USPS).

### Third Party Payment:

In certain cases, a third party may be responsible for payment of your account. We may hold any outstanding bills and file a medical lien to secure the payment of this debt. The lien will be filed with the County Auditor's office and will remain on file until the account is settled or the claim is closed, at which time payment is due. A charge for processing the lien and administrative fees will be applied to your account balance.

I have read the Financial Policy. I understand and agree to this Financial Policy: I hereby assign payment of Insurance benefits to Chan Chiropractic Clinic, P.S.

**CHIROPRACTIC INFORMED CONSENT TO TREAT**

I hereby request and consent to the performance of chiropractic procedures, including various modes of physical therapy/physiotherapy, diagnostic x-rays, and any supportive therapies on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic indicated below and/or other licensed doctors of chiropractic and support staff who now or in the future treat me while employed by, working or associated with, or serving as back-up for the doctor of chiropractic named below, including those working at the clinic or office listed below or any other office or clinic, whether signatories to this form or not.

I have had an opportunity to discuss with the doctor of chiropractic named below and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and procedures.

I understand that chiropractic adjustments and supportive treatment are designed to reduce and/or correct subluxations, allowing the body to return to improved health. It can also alleviate certain symptoms through a conservative approach with hopes to avoid more invasive procedures. However, I understand and am informed that, as is with all healthcare treatments, results are not guaranteed, and there is no promise to cure. In addition I understand and am informed that as is with all healthcare treatments in the practice of chiropractic there are some risks to treatment, including, but not limited to, muscle spasms for short periods of time, aggravating and/or temporary increase in symptoms, lack of improvement of symptoms, burns from heat lamps, ice or heating devices, fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interests.

I further understand that there are treatment options available for my condition other than chiropractic procedures. These treatment options include, but are not limited to, self-administered, over-the-counter analgesics and rest; medical care with prescription drugs, such as antiinflammatories, muscle relaxants and painkillers; physical therapy; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and to secure other opinions if I have concerns as to the nature of my symptoms and treatment options.

I understand that all payment(s) for treatment(s) are final and no refunds will be issued. However, prorated fees for unused, prepaid treatments will be refunded if I wish to cancel the treatment.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below, I agree to the above-named procedures. I intend this consent to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

### ARBITRATION AGREEMENT

**Article 1: Agreement to Arbitrate:** It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by state and federal law, and not by a lawsuit or resort to court process, except as state and federal law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration. Further, the parties will not have the right to participate as a member of any class of claimants, and there shall be no authority for any dispute to be decided on a class action basis. An arbitration can only decide a dispute between the parties and may not consolidate or join the claims of other persons who have similar claims.

**Article 2: All Claims Must be Arbitrated:** It is also understood that any dispute that does not relate to medical malpractice, including disputes as to whether or not a dispute is subject to arbitration, as to whether this agreement is unconscionable, and any procedural disputes, will also be determined by submission to binding arbitration. It is the intention of the parties that this agreement bind all parties as to all claims, including claims arising out of or relating to treatment or services provided by the health care provider, including any heirs or past, present or future spouse(s) of the patient in relation to all claims, including loss of consortium. This agreement is also intended to bind any children of the patient whether born or unborn at the time of the occurrence giving rise to any claim. This agreement is intended to bind the patient and the health care provider and/or other licensed health care providers, preceptors, or interns who now or in the future treat the patient while employed by, working or associated with or serving as a back-up for the health care provider, including those working at the health care provider's clinic or office or any other clinic or office whether signatories to this form or not.

All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the health care provider, and/or the health care provider's associates, association, corporation, partnership, employees, agents and estate, must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress, injunctive relief, or punitive damages. This agreement is intended to create an open book account unless and until revoked.

**Article 3: Procedures and Applicable Law:** A demand for arbitration must be communicated in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days, and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days thereafter. The neutral arbitrator shall then be the sole arbitrator and shall decide the arbitration. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees, witness fees, or other expenses incurred by a party for such party's own benefit. Either party shall have the absolute right to bifurcate the issues of liability and damage upon written request to the neutral arbitrator.

The parties consent to the intervention and joinder in this arbitration of any person or entity that would otherwise be a proper additional party in a court action, and upon such intervention and joinder, any existing court action against such additional person or entity shall be stayed pending arbitration. The parties agree that provisions of state and federal law, where applicable, establishing the right to introduce evidence of any amount payable as a benefit to the patient to the maximum extent permitted by law, limiting the right to recover non-economic losses, and the right to have a judgment for future damages conformed to periodic payments, shall apply to disputes within this Arbitration Agreement. The parties further agree that the Commercial Arbitration Rules of the American Arbitration Association shall govern any arbitration conducted pursuant to this Arbitration Agreement.

**Article 4: General Provision:** All claims based upon the same incident, transaction, or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable legal statute of limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence.

**Article 5: Revocation:** This agreement may be revoked by written notice delivered to the health care provider within 30 days of signature and, if not revoked, will govern all professional services received by the patient and all other disputes between the parties.

**Article 6: Retroactive Effect:** If patient intends this agreement to cover services rendered before the date it is signed (for example, emergency treatment), patient should initial here. \_\_\_\_\_. Effective as of the date of first professional services.

If any provision of this Arbitration Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive a copy of this Arbitration Agreement. By my signature below, I acknowledge that I have received a copy.

**NOTICE; BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.**
